

## REGRAS

- Imprima todas as cartas
- Embaralhe
- Divida igualmente entre você e seu oponente
- Acumule sua pilha de forma que as cartas fiquem uma sobre a outra e você fique apenas com 1 na sua visão
- Tire no par ou ímpar quem começa
- Quem começa escolhe entre 1 das 4 categorias (Ataque, defesa, toque de bola, chute) e diz o número correspondente da sua carta. O oponente faz o mesmo. Todos mostram as cartas e quem venceu o embate ganha a carta do oponente.
- Vence quem acumular todas as cartas do jogo.

**Bom divertimento!**
